Nothing cleans more conveniently than a MISCO INTERNATIONAL® aerosol. Each formula is specially designed to be effective without mixing, pouring or making a mess. For more information, or to order, contact your MISCO INTERNATIONAL representative today.

GLASS CLEANER

For cleaning and polishing glass, mirrors and other non-porous surfaces. This easy-to-use, fast-acting product uses a clinging foam to break up soils and hold them even on vertical surfaces. There is no dripping, no running and no streaking.

065338 12/19 oz. cases

DUST MOP TREATMENT

This oil based formulation attracts dust and dirt to mops and cloths. The effect of the chemicals increases the dust catching capabilities and eliminates flying dust and resettling. Heavy lint on a mop or cloth can be shaken or washed out. Use on finished resilient asphalt, vinyl, rubber and linoleum floors. A routine dust mop treatment program will extend the life of the floor finish and help maintain the gloss.

GELLED BASEBOARD STRIPPER

A heavy-duty cleaner and stripper for buildup on baseboards and in corners. Clinging gel provides extra penetration power to lift off even the heaviest accumulations without damaging the original surface or finish. Inverted valve makes for easy application.
