IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Cleaning cloth, soft brush, sponge, bowl mop.

DIRECTIONS TO USE

To clean and deodorize hard non-porous surfaces such as toilet bowls, bathroom tiles, fixtures, shower stalls, walls, and sinks, proceed as indicated below: 1. To clean toilet bowls, remove water from bowl by forcing over trap with applicator. Remove excess water from applicator by pressing it against the side of bowl. Pour 1 oz. on applicator. Clean entire unit, especially under rim at water outlets. Flush and rinse out applicator. 2. Hold container six to eight inches from surface to be treated. Spray area until it is covered with the solution. Allow the product to penetrate. No scrubbing necessary. 3. Wipe off with a clean cloth, mop, or sponge. The product will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment. To control odors from mildew on hard non-porous surfaces (such as floors, walls, table tops), spray the surfaces to be treated, making sure to wet completely. Let air dry.
