Approvals : cRc

IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Cloth or sponge, toilet bowl mop.

DIRECTIONS TO USE

Do not use on aluminum.

DAILY CLEANING: Dilute with up to 5 parts water. Rinse thoroughly after cleaning. On stainless steel equipment, dilute with up to 3 parts water. Rinse thoroughly after cleaning. Dilute with up to 5 parts water for tile and porcelain. Rinse and wipe with a damp cloth.

TOILETS: To remove calcium and rust encrustations, discolorations and other deposits, flush toilet, then remove water from bowl by forcing it over trap with applicator. Holding bottle over bowl, start the cleaning under the rim where the water outlets are located. Then apply a small amount directly to applicator. Thoroughly clean top and other areas of the bowl. Flush cleansed surfaces thoroughly.

URINALS: Apply solution to applicator while holding it over urinal. Clean entire surface, especially under rim and at water outlets. Pour a small amount into urinal and let stand for several minutes to remove odors from trap. Rinse surfaces thoroughly.

PACKAGING

This product is available in 6/1 quart cases. (5980221).
