**pH use dilution** : 8.0-8.5

**Phosphorus content** : 0.0%

**Approvals** : N/A

## IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available from the distributor.

## PRODUCT DIRECTIONS

### EQUIPMENT TO USE

Clean, soft cloth, trigger sprayer.

### DIRECTIONS TO USE

Hold container upright and spray lightly about 6 inches from surface. Wipe immediately with a soft, clean cloth. DO NOT allow spray to dry before wiping. Turn to dry part of cloth as you finish wiping. For small items and hard to reach places for surfaces adjacent to upholstery fabric, spray directly onto wiping cloth, then dust and polish. On furniture where the finish may be old or unknown, use on an inconspicuous area first to assure satisfactory results. NOTE: Never use on floors and protect floors from overspray. The product's ingredients make a floor slippery. If oversprayed onto a floor, scrub the floor with detergent and dry thoroughly.

## PACKAGING

This product is available in 12/1 quart cases (065531).
