IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Automatically dispensed at correct dilution rate from the Ultra Easy dispensing system.

DIRECTIONS TO USE

Automatically dispensed at correct dilution rate from the Ultra Easy dispensing system. Depress the bucket filling button on the dispensing unit. Wipe up spills and sweep debris from surface. Add 1 ounce of product per 3 gallons of warm (not hot) water. Apply solution liberally to floor using a mop. Deck brush as needed. Dry mop excess moisture. Discard mop water down troubled drains to reduce grease build up. Keep from freezing.

DILUTION RATIO: 1:384

PACKAGING

This product is available in 4/2 qt. cases (5497731)
