IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Clean cloth.

DIRECTIONS TO USE

Apply this product to surface and wipe with a soft cloth, spreading and rubbing to be sure entire surface is covered. For heavier soil, a brief soaking period should be allowed after application, the rubbing continued until accumulated soil is removed. Cloth should be turned frequently to keep the clean areas "working" with the polish. Never use this polish on food contact surfaces. Rubber gloves recommended. NOTE: Never use on floors and protect floors from overspray. The products ingredients make a floor slippery. If oversprayed onto a floor, scrub the floor with detergent and dry thoroughly.

PACKAGING

This product is available in 6/32 oz. cases (4948317).
