IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Comes with disposable hose sprayer, water hose, water faucet.

DIRECTIONS TO USE

To Spray and Apply Product: Connect spray attachment to hose. Pull back safety latch and rotate dial. Product automatically dispenses at correct dilution.

For dock areas and trash cans: spray three times per week to eliminate and prevent build up of slippery food, soils, and grease.

For dumpsters: spray into the interior and surrounding area of dumpster. 1. Spray first when dumpster is emptied. 2. Spray treatment again when dumpster is 1/3 full. 3. Spray the final treatment when dumpster is 2/3 full. 4. Repeat process when dumpster is emptied.

PACKAGING

This product is available in 4/1 quart cases (3041211).
