

FEATURES

- Institutional strength
- Non-abrasive formulation
- Clinging formulation

BENEFITS

- Low use cost
- Does not scratch surfaces
- Clings to vertical surfaces and increases contact time

RECOMMENDED USES

For use on grills, ovens, hoods and other stainless steel surfaces.

SPECIFICATIONS

Color : Brown
Scent/Odor : Solvent
Character : Hazy, viscous liquid
Foam : Low

pH use dilution : Greater than 13.0
Phosphorus content : 0.0%
Approvals : cRc

IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Spray bottle, cleaning cloths.

DIRECTIONS TO USE

STORAGE: Keep from freezing. Do not use this product on surfaces above 200° F (93.3° C). Do not let product contact aluminum or soft metals. Do not use continuously or self-cleaning ovens, or on fire brick. Do not allow this product or its solutions to splash onto other surfaces. **DIRECTIONS FOR USE:** 1. Prescrap surface to remove gross soils. Adjust grill temperature to 150° F - 180° F (65° C - 82° C). 2. Spread product onto grill or oven surface and allow to stand for several minutes. Do not allow surface to dry. Reapply product if necessary. 3. Wipe grill with a cloth. Repeat as necessary until grill is clean. 4. Rinse thoroughly with potable water and wipe dry. Season the grill by coating the surface with cooking oil. **STORAGE:** Do not store in food processing or food storage areas.
