### IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

### PRODUCT DIRECTIONS

#### EQUIPMENT TO USE

Spray bottle, cleaning cloths.

#### DIRECTIONS TO USE

**USE DILUTION:** For hoods: Dilute 1:1.

#### FOR OVENS AND GRILLS:

1. Scrape heavy debris from oven or grill surface.
2. Raise or lower the temperature of oven or grill to 150°-180°F.
3. Spray this product on soil affected surface. Use this product undiluted.
4. IMMEDIATELY wipe oven or grill with cloth or non-abrasive pad.
5. Flush with an oven or grill neutralizer (a mild acid rinse).
6. Rinse with clean water.
7. Reprocess grill with cooking oils to prevent sticking.

**Note:** Do not use on aluminum.
