IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Measuring cup or scoop.

DIRECTIONS TO USE

USE DILUTION: 2-3 ounces per 100 lbs. of dry linen.

Note: Concentrations will vary due to environmental conditions and load size. Your sanitation specialist will recommend a proper use dilution to meet your needs. Pre-sort laundry prior to wash. Pre-soak or pre-spot laundry when necessary. Place proper amount of laundry into laundry machine. For wash cycle, use 2-3 ounces of this product per 100 lbs. of dry linen. When souring and/or softening, use recommended sour and/or softener at the proper use dilution. A final pH of 5.5-6.5 is recommended for all fabric.

PACKAGING

This product is available in 50 lb. zip-eze boxes (064116).
