IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Automatically dispensed at correct dilution rate from the Ultra Easy dispensing system.

DIRECTIONS TO USE

Use Precision Laundry detergent as directed by your U S Chemical Representative. This product can be used in all homestyle washing machines. This product is designed to be dispensed directly to the laundry machine by a U S Chemical dispenser and should not be diluted manually. Precision Laundry detergent is dispensed at various rates depending on soil load, fabric, water conditions and equipment.
