Recommended automatic liquid laundry injection system.

**DIRECTIONS TO USE**

Dosing level is dependent on wash classification. Consult your U S Chemical representative for more information. Do not use in homestyle washers. This product is designed to be automatically dispensed with a U S Chemical dispenser. For food plant use, do not use on shrouds or items that may contact meat or food products. Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use and storage.

**PACKAGING**
