IMPORTANT

Read and understand the label and Material Safety Data Sheet (MSDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The MSDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Foaming spray arch or foamer.

DIRECTIONS TO USE

USE DILUTION: DO NOT MIX WITH ANYTHING BUT WATER. Use concentrated product metered at a ratio of 80 to 104 parts water to 1 part product. Adjust further for desired results. DO NOT mix concentrated product at a ratio of less than 80 parts to one part product. Apply diluted product through foaming spray arch or foamer. Adjust product concentration and air mixture to obtain desired foam thickness.

PACKAGING

This product is available in 55 gallon drums (063461).
