IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

None needed.

DIRECTIONS TO USE

Shake before use. Hold container upright with nozzle away from face. Spray at a rate of 5 to 10 seconds per 1000 cubic feet, directing spray toward the ceiling and upper corners. For best results, close windows and doors for 10 to 15 minutes. Applicator should vacate treated area and ventilate prior to returning for 5 minutes. Utensils should be covered and food processing areas should be shut down and covered. Sweep up and discard fallen insects.

PACKAGING

This product is available in 6/15 ounce cases (064151).
