IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Recommended dispensing system.

DIRECTIONS TO USE

NOTE: DO NOT use in conventional water-filled (reservoir) systems. Dispenser will NOT activate unless a canister is in unit. Do not use on aluminum.

1. Remove seal from disposable Proline concentrate canister.
2. Place the canister into the recommended Proline concentrate dispenser, open end down. Use handle when transporting canister.
3. DO NOT remove concentrate canister until completely empty.
4. To remove empty canister, lift it from the dispenser carefully by the handle and turn upright to avoid spills. Dispose of canister immediately. DO NOT reuse empty canister.
5. Place new recommended Proline concentrate canister into dispenser.

PACKAGING

This product is available in 4/8 pound cases (063595).
