## IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

## PRODUCT DIRECTIONS

### EQUIPMENT TO USE

Formulated for large first tank recirculation sinks.

### DIRECTIONS TO USE

Fill recirculation sink with water. Use one 6 ounces portion pack for every 50 gallons of water in recirculation sink. Pour entire contents of portion pack(s) into sink. Submerge pots and pans and power soak for 5-10 minutes. Rinse with fresh water. Sanitize with a recommended sanitizer and air dry. Full labeling information is provided on the outside package.

## PACKAGING

This product is available in 65/6 ounce cases (066453).
