

Beer Clean® Low Suds Glass Cleaner

Total Bar Sink Program

Pre-measured, moisture-proof envelopes ensure exact dilution for each application.

Effective

- ▶ Cleaner specifically designed for electric brush glass washing
- ▶ Concentrated formula for quick cleaning
- ▶ Special odorless detergent system provides excellent rinsing results
- ▶ Contains no petroleum or fat-based detergent that could leave an invisible, oily film to kill the head on the beer.
- ▶ Effective in either hot or cold water
- ▶ Ensures uniform sanitizing

Cleaner specifically designed for electric brush glass washing. Effective in either hot or cold water. Contains no petroleum or fat-based detergent that could leave an invisible, oily film to kill the head on the beer. Ensures uniform sanitizing.

Use Instructions

- ▶ Use Instructions: Fill FIRST TANK with 3 gallons (11.4 L) clear, warm water to about 1 1/2" / 2.5 cm from top of brushes. Add one packet of product into tank, sprinkling over cleaning brushes. Wash glasses or utensils thoroughly by completely immersing. Rinse in clear water in middle tank and sanitize in last tank with BEER CLEAN® Last Rinse Sanitizer as directed.
