IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Measuring scoop or cup.

DIRECTIONS TO USE

Use 1 ounce per gallon, pre-dissolve in HOT water (120°-140°F).

COFFEE AND TEA MAKING UNITS: Pour into place as if ready to start normal operation. Run through regular cycle, brush sight glass, faucets, spouts and crevices; drain, rinse well and sanitize.

JUICE UNITS: Be sure refrigeration is "off" and unit is at room temperature before adding solution; follow above procedure. After sanitizing, turn on refrigeration and return unit to normal service.

EATING UTENSILS: Immerse utensils completely in solution and soak until food stains disappear. Rinse thoroughly with clean water and sanitize.

PACKAGING

This product is available in 4/3.7 pound cases (063818).
