IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Jug pump or wall pump, bus pan.

DIRECTIONS TO USE

USE DILUTION: 1 ounce to 2 gallons of water. Place stainlessware and/or silverware in solution for several minutes. Remove, rinse thoroughly and wash in dishmachine in normal fashion. If silver plated flatware is being detarnished, line the bus pan or pail with aluminum foil. Dispense solution of product and warm - 100° to 120°F (38° to 49°C) - water. Place flatware or utensils in presoak solution for 15 - 30 minutes. Remove flatware or utensils from presoak solution. Place in dishmachine racks, rinse thoroughly and process.

PACKAGING

This product is available in 4/1 gallon cases (063671).
