

Nexus™ Suds

Laundry Detergent

Nexus™ Suds is a highly concentrated surfactant based formula. This versatile detergent is concentrated enough to be used as an added booster with Nexus™ Break or alone as a superior low alkaline laundry detergent. It is designed to provide optimum results when used in a routine laundry program.

Directions For Use

Equipment: Nexus™ Suds is designed to be used only through the exclusive Nexus™ Laundry Dispensing System.

Use Dilution: Concentration varies due to environmental conditions and load size. Your sanitation specialist will adjust properly to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of soiled fabric into laundry machine.

4. In wash cycle, inject Nexus™ Break and Nexus™ Suds.
5. When bleaching, inject Nexus™ Destainer or Nexus™ Oxygen Bleach. When souring and softening, inject Nexus™ Sour/Soft or Nexus™ Sour and Nexus™ Softener.

A final pH of 5.5 - 6.5 is recommended for the fabric.

*This product is compatible with ozone laundry systems.

*This product can be used in all water temperatures. Your Chemical Specialist will adjust product concentrations based on results.
