

 U S Chemical

SOLID OPPORTUNITIES

Solid Technology adds convenience, safety and performance to any food or laundry service operation. It prevents direct contact with product during use or when replacing empty canisters.

Our line of solid warewashing detergents and presoaks have fast-acting, long-lasting ingredients that ensure sparkling clean results in a variety of water and operating conditions. Our solid laundry detergent contains fast acting oxygen bleach and oxy boosters that quickly lift stains, leaving laundry fresh and clean.

From pot and pan washing, high and low temperature dishmachine operations to stained clothing, U S Chemical offers a complete line of solid dishmachine, laundry and specialty products to meet your needs.

Let U S Chemical show you how these products can enhance your operations. To get more information about these products, contact your U S Chemical representative today.

MECHANICAL WAREWASHING

SOLID MECHANICAL WAREWASH DETERGENT

5344793 - 4/8 lb.

Solid Mechanical Warewash Detergent utilizes the latest ingredients that are less hazardous to the environment without sacrificing performance. This product provides excellent scale inhibiting properties and can be used in both low temperature and high temperature dish washing applications. Safe for use on all surfaces!

MANUAL WAREWASHING

USC SOLID CRYSTAL

101103825 - 2/5 lb.

Solid Crystal is a lemon scented manual pot and pan detergent. It is excellent at cutting through grease while being safe on all ware and mild to hands.

USC SOLID MARQUIS™

057701 - 2/6 lb.

Solid Marquis™ is a solid presoak that comes in a unique canister for safe and convenient use with the Freedom System™. Its alkaline/surfactant blend penetrates soils quickly to remove tough food soils from silver and stainless flatware.

LAUNDRY

e³ LAUNDRY DETERGENT

077707 - 2/6 lb.

e³ contains an enzyme formula that works well on commonly found organic soils. It also contains oxygen bleach to safely brighten fabrics.

USC DAYBREAK

057740 - 2/6 lb.

Daybreak solid laundry detergent is safe, convenient and simple to use. It is safe on all fabrics and requires no special handling.
