

FLOORCARE PRODUCTS FOR PROFESSIONALS

Genesis™ floorcare products were designed with the floorcare professional in mind. Using state-of-the-art polymer technology, Genesis™ offers unique product formulations specifically designed to match the maintenance needs of the many flooring substrates available today. The Genesis™ “Creed” is to provide our customers with quality products, competitive prices, environmentally sound packaging and expert technical support. We support this with a 100% money-back guarantee. Genesis™ floor finishes are packaged in an environmentally friendly bag-in-box. The bag-in-box can be recycled or compacted for landfill, eliminating the disposal problems associated with five-gallon pails. Dispensing finish from a bag-in-box provides the added advantage of never exposing the unused finish to the air, reducing contamination and filming problems often encountered with pails.

GENESIS™ LOW ODOR STRIPPER

Floor Finish Remover

076912 5 gallon

Low Odor Stripper is a new generation stripper designed to chemically dissolve metal complex floor finishes and gently lift them off the floor surface without the harsh odors associated with ammoniated and butyl products.

GENESIS™ GX-2001

High Gloss Sealer and Finish

076905 5 gallon bag-in-box

Use GX-2001 on terrazzo, quarry, tile, brick, slate, unglazed ceramic and Mexican tile. This sealer and finish exhibits exceptional gloss, leveling and durability. Easy to remove. 20.0% Solids.

GENESIS™ HEAVY DUTY STRIPPER

Floor Finish Remover

076903 5 gallon

This heavy duty stripper is a no-rinse, mop-on, stripper formulated to remove layers of floor finish without the use of aggressive black stripping pads. Recommended for removing semi-permanent seals.

GENESIS™ GX-2002+

High-Performance Finish for Infrequent Maintenance

100985915 5 gallon bag-in-box

GX-2002+ has excellent resistance to scuffs, marks and scratches, dirt imbedment and repeated detergent scrubbing. Use on all resilient floors including vinyl, vinyl composition, vinyl asbestos, asphalt tile, rubber, and linoleum. Non-resilient floors such as concrete and terrazzo should be sealed with a recommended sealer before applying GX-2002+. Not intended for use on cork, wood or bamboo.

GENESIS™ ICE-STRIP

5548041 5 gallon

Ice-Strip is a professional strength stripper designed for the removal of tough-to-strip finishes and sealers. It is a powerful, fast-acting stripper that even when using cold water, begins to emulsify most finishes upon contact. This reduces normal soak times and removes multiple layers of finish with fewer passes.

GENESIS™ GX-2005

UHS Finish

100938696 5 gallon bag-in-box

Misco Genesis™ GX-2005 is part of the state of the art Floor Care Program. This product will create the most durable floor coating and will eliminate the annual cost of stripping and finishing.

GENESIS™ GX-1500

R.T.U. Spray Buffing Solution

076907 4/1 gallon

Bring back that just-finished shine! GX-1500 keeps your floors looking their best at all times. This spray buff solution delivers state-of-the-art performance and cost efficiency.

GENESIS™ GX-2004+

Ultra Durable Finish

076909 5 gallon bag-in-box

Misco Genesis™ GX-2004+ provides excellent gloss, outstanding durability and is easy to apply and maintain. This product provides the highest mileage for your floors, even in the heaviest traffic.
