

MIXMATE

SANITATION SYSTEM

***WHAT GOOD IS A CLEANING SYSTEM
IF IT DOESN'T FIT YOUR NEEDS?***

WHETHER YOUR CLEANING PROBLEM IS LARGE OR SMALL, YOUR SOLUTION SHOULD BE A PERFECT FIT.

MixMATE™ Mini SANITATION SYSTEM

MixMATE™ Mini concentrates give you maximum cleaning power for a remarkably low cost. The cost savings you'll enjoy, to time savings and performance. It doesn't matter how much value the solutions themselves offer if the dispensing system takes up too much space, is inconvenient to use or doesn't match your needs.

SAFETY AND VERSATILITY IN AN AUTOMATIC DISPENSING SYSTEM

MixMATE™ Mini's patented "spill proof" container can only be dispensed through our unique docking station for an automated dispensing system. This container and the use of an automated dispenser ensures that employees will never need to come in contact with the solutions themselves.

ENVIRONMENTALLY-SOUND PACKAGING WITH A PURPOSE

MixMATE™ Mini solutions are so highly concentrated, you're helping the environment by not generating unnecessary packaging to hold inert ingredients. Plus, the 3100 mL container of concentrate is made of a plastic that can be recycled by city recycling programs. The bright, color coded labeling system is not without its purpose either. Bold, easy-to-understand graphics and lettering make product usage practically mistake-proof, eliminating waste and ensuring employee safety.

PREMIUM FORMULAS FOR POWERFUL SAVINGS

MixMATE™ Mini formulas offer extremely high concentrations of active ingredients, giving you a low use cost every time you dilute. With the push of a button, each modular unit automatically dispenses precisely the amount of cleaning power necessary for spotless results. Overuse and waste are eliminated. Common dilution strengths and ready-to-use quantities appear in the chart.

2/3100 mL WILL PROVIDE:

Product/Use	Scent/Odor	Dilution Ratio	RTU Gallons	Total No. of Refills
Glass Cleaner A	Solvent	1:8	14	78 - 24 oz. bottles

GLASS CLEANER A - Glass Cleaner is designed for fast, thorough cleaning of glass, porcelain, formica and chrome surfaces. It quickly removes soils without smudging or smearing. Glass Cleaner easily removes smoke film and grime from windows and auto interiors.

2/3100 mL 4378692
2/1 gal. 063049
2.5 gal. 063048

LEMON AIR FRESHENER G - Lemon Air Freshener is a general purpose air freshener and malodor counteractive that effectively eliminates malodors at their source. It removes the odors associated with garbage pails, waste baskets, cigarette urns, garbage disposals, urinals, toilets, bed pans and more.

2/3100 mL 4378941
2/1 gal. 063064

ALL PURPOSE CLEANER/DEGREASER B - All-Purpose Cleaner/Degreaser is a concentrated heavy duty cleaner and degreaser designed for general purpose cleaning. It easily removes grease and grime from range hoods, vents, broilers, grills, floors, walls and tables.

2/3100 mL 4378553
2/1 gal. 063059
2.5 gal. 063058

SHURGUARD PLUS H - Shurguard Plus is designed for use in hospitals, nursing homes, hotels, food service establishments, restaurants and bars where disinfection, sanitization and deodorization are of prime importance. This product is formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, cabinets, tables and chairs.

2/3100 mL 4379290
2/1 gal. 063062

TUB AND TILE CLEANER C - Tub and Tile Cleaner eliminates rust, lime, organic deposits and offensive odors from wash basins, bath tubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls and urinals.

2/3100 mL 4377850
2/1 gal. 4377631
2.5 gal. 4377614

CITRUS NEUTRAL CLEANER I - Citrus Neutral Cleaner is a concentrated product for cleaning, maintenance and degreasing of all washable surfaces. It will safely removes grease, grime, dirt and the toughest stains.

2/3100 mL 4378617
2/1 gal. 063066
2.5 gal. 063065

GERMICIDAL CLEANER D - Germicidal Cleaner is both a germicidal detergent and deodorant. It disinfects, cleans and deodorizes in one labor- saving step. Recommended for use in hospitals, nursing homes, schools and restaurants. This product is EPA registered.

2/3100 mL 4378650
2/1 gal. 063055
2.5 gal. 063054

QUARRYGRIP® L - Quarrygrip is a heavy duty floor cleaning and traction treatment for quarry tile, porcelain and glazed ceramic tile. This multi-purpose product may be used daily. It helps create a safer work environment by preventing slip and fall accidents.

2/3100 mL 4379003
2/1 gal. 076953

REDUCE SLIP FLOOR CLEANER E - Reduce Slip Floor Cleaner is a specially designed concentrated product for the routine cleaning of floors, walls and other hard surfaces. It quickly cuts grease and dirt, leaving surfaces clean and film free.

2/1 gal. 063053
2.5 gal. 063052

FLOORBAC™ M - Floorbac is a special type of floor cleaner that uses surfactant cleaning technology combined with enzyme producing bacteria. The result is a one step process which effectively cleans the top surface of the floor, while leaving behind grease-eating bacteria that digest build-up in porous tiles and grout.

2/3100 mL 5050808

DISINFECTANT 256 O - A phosphate-free, pH neutral formula. MixMATE Disinfectant 256 is designed to provide effective cleaning, deodorizing, sanitation and disinfection. This product disinfects non-porous surfaces such as floors, walls, glazed porcelain, glazed ceramic tile, plastic surfaces, vanity tops, shower stalls, bathtubs and cabinets. It can be used as a no rinse sanitizer on hard non-porous surfaces. This product is an EPA registered disinfectant and sanitizer.

2/3100 mL 5116791

FRESH LINEN S - Fresh Linen is a general purpose air freshener and malodor counteractive that effectively eliminates malodors at their source. Fresh Linen removes the odors associated with garbage pails, waste baskets, cigarette urns, garbage disposals, urinals, toilets and bed pans.

2/3100 mL 5274887

NON ACID RESTROOM CLEANER DISINFECTANT P - Non-Acid Restroom Cleaner Disinfectant can be used in bathrooms, health care facilities, hotels, institutional facilities, motels, locker rooms and public restrooms. Use this product on washable hard, nonporous surfaces of: bathroom fixtures, bathtubs, showers, sinks (bathroom) and toilets. This product eliminates 99.9% of Staphylococcus aureus and Klebsiella pneumoniae in 60 seconds. EPA registered product.

2/3100 mL 5196209

DELIVERY CAPS - There are two different delivery caps available for use with this system. The instructions for set up are the same for both delivery caps.

- **ANGLED BARB CONNECTION CAP (5722491)**
- **STRAIGHT BARB CONNECTION CAP (6081606)**

Scan QR Code for demo

DELIVERY CAP SET UP

1 Remove shipping cap from product.

2 Position the delivery cap onto the product and push down firmly in the center.

3 While pushing down, screw the cap tight. Position the barb towards its connection tubing.

4 **TO REMOVE:** Unscrew the white ring and move side to side to release.
