Directions For Use

Equipment: Spray directly from the bottle.

Use Dilution: Ready to use.

Directions:

Spray area where odor is originating, usually around urinals, toilets, carpets or floors and surrounding wall areas. Product may also be added to mop water and mopped on floor areas around washroom fixtures to effectively counteract odors. Allow Fresh Odor Neutralizer to remain and dry on the surface. Pre-test on surface in an inconspicuous area. Do not use if surface discolors.

Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.

Check with USC regarding product availability and product registration status in your state. Contact your sales rep for more information.
