### Product Directions

**Equipment:** Ultra Active™ specialty dispensing system, pail and mop, sponge, cleaning cloth, spray bottle, appropriate measuring device, goggles or face shield, rubber gloves and protective clothing.

#### DIRECTIONS TO USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**RESTAURANT AND BAR USE:** For use as a sanitizer on dishes, glassware, silverware, and eating and cooking utensils. For heavily soiled areas, remove gross food particles by preflush, prescrape and presoak when necessary. Wash thoroughly with detergent or compatible cleaner then rinse with potable water prior to application of this product. Then immerse in a sanitizing solution from Closed Loop Dilution Center 1 ounce per 19 1/2 gallons of water (200 ppm quat) for at least 1 minute. Drain thoroughly and air dry. Do not rinse.

Check with U S Chemical regarding product availability and registration status in your state.

See product Reference Sheet or container label for more information.
