

Brink

Low Temp Laundry Detergent

Brink can be used in all commercial washing machines as a low temperature laundry detergent. Do not use in homestyle machines. It is designed to be dispensed directly to the laundry machine and should not be diluted manually.

Directions For Use

Equipment: Automatic liquid laundry dispensing system.

Use Dilution: Concentration varies due to environmental conditions and load size. Your sanitation specialist will adjust properly to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of soiled fabric into laundry machine.

4. In wash cycle, feed this product.
5. When bleaching, feed a recommended liquid laundry bleach.
6. When souring and softening in the final rinse cycle, feed a recommended sour and softener.

A final pH of 5.5-6.5 is recommended for the fabric.

*This product can be used in all water temperatures. Your chemical specialist will adjust product concentrations based on results.
