

Compac

Heavy Duty Laundry Detergent

Compac is a phosphate free liquid laundry break and suds combination. When used in conjunction with liquid laundry bleach and a laundry sour and softener, this product emulsifies and suspends tough soils, all in one easy step. The use of this product will provide whiter and brighter fabric in all laundry operations.

Character	Clear, non-viscous liquid
Foam	Moderate to low
pH Use Dilution	10.5 - 11.5
Phosphorus Content	0.0%
Approvals	cRc
Water Temperature	All

Pack Sizes

057691	5 gallon pail
057692	15 gallon drum

Directions For Use

Equipment: Recommended automatic liquid laundry injection system.

Use Dilution: Concentration varies due to environmental conditions. Your sanitation specialist will properly adjust product concentration to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of soiled fabric into laundry machine.
4. In wash cycle, inject this product.
5. When bleaching, feed a recommended liquid laundry destainer into the laundry machine.
6. When souring and softening in the final rinse cycle, inject a recommended liquid laundry sour and softener.
A final pH of 5.5 - 6.5 is recommended for the fabric.

*This product can be used in all water temperatures. Your chemical specialist will adjust product concentrations based on results.
