

# Creme Cleanser

## Mild Abrasive Cleanser

Creme Cleanser is excellent for removing stubborn spots, build-up, scuffs, grease, rubber marks and soap scum. Use on porcelain, ceramic, stainless steel, chrome, formica, fiberglass and other surfaces. It features controlled sudsing, free rinsing and leaves no film. Recommended as a cleaner in hospitals, nursing homes, schools, manufacturing plants, motels and institutions with difficult to clean areas.

### Specifications

### Directions For Use

**Equipment:** Rubber gloves, cleaning cloths, sponge or brush.

1. Squeeze directly on surface or on wet cloth, sponge or brush.
2. Loosen soil with rubbing action.
3. Rinse.
4. For a bright shine, polish with soft dry cloth. On stainless steel, rub with grain.
5. For heavily soiled areas, remove gross soil before treatment.

**NOTE:** Only use on surfaces not harmed by mild abrasives.

### Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at [www.uschemical.com](http://www.uschemical.com) and is also available by scanning the QR code on the label.
