Phosphorus Content	5.1%
Approvals	None

Pack Sizes

057116	72/3 oz.
057114	4/3.7 pound case

Directions For Use

Equipment: Plastic bus pan, measuring device

Use Dilution: Use 1 ounce per gallon, pre-dissolve in HOT water (120°-140°F).

Coffee and Tea Making Units: Pour into place as if ready to start normal operation. Run through regular cycle, brush sight glass, faucets, spouts and crevices; drain, rinse well and sanitize.

Juice Units: Be sure refrigeration is "off" and unit is at room temperature before adding solution; follow above procedure. After sanitizing, turn on refrigeration and return unit to normal service.

Eating Utensils: Immerse utensils completely in solution and soak until food stains disappear. Remove, rinse and wash in dishmachine.
