

H-D-R

Heavy Duty Rinse Additive

H-D-R is an advanced high temperature rinse additive with a complex formulation to handle a multitude of difficult water conditions. A special blend of low foaming nonionic and anionic surfactants combined with an organic acid and a threshold inhibitor ensures outstanding results in all challenging situations.

Specifications

Color	Red
Scent/Odor	None added
Character	Clear, non-viscous liquid
Foam	Low to none
pH Use Dilution	4.0 - 5.0
Phosphorus Content	0.1%
Approvals	cRc

Pack Sizes

077748	4/1 gallon case
---------------	-----------------

Directions For Use

Equipment: Recommended warewash rinse injector.

Use Dilution: Concentration varies due to environmental conditions.

1. Pre-flush and/or scrape dishes before washing.
2. Rack dishes properly. Place dishes in machine.
3. Wash using a recommended mechanical warewash detergent. Should maintain 150°-160°F wash temperature.
4. For rinse cycle, use this product. Should maintain 180°-190°F rinse temperature.
5. Allow dishes to air dry.
