

Heavy Duty Grill Shine

Grill & Oven Cleaner

Heavy Duty Grill Shine is a high-alkaline, ready-to-use solution, designed to eliminate the toughest baked-on and carbonized soils from ovens, grills and deep frying equipment. It quickly dissolves organic soils while protecting surrounding hard metal surfaces. When diluted, it is excellent for cleaning floors.

Specifications

Color	Brown
Scent/Odor	Solvent
Character	Hazy, viscous liquid
Foam	Low
pH Use Dilution	Greater than 13.0
Phosphorus Content	0.0%
Approvals	cRc

Pack Sizes

4435888 4/1 gallon case

Directions For Use

Equipment: Spray bottle, cleaning cloths.

1. Pre-scrap surface to remove gross soils. Adjust grill temperature to 150° F - 180° F (65° C - 82° C).
2. Spread product onto grill or oven surface and allow to stand for several minutes. Do not allow surface to dry. Reapply product if necessary.
3. Wipe grill with a cloth. Repeat as necessary until grill is clean.
4. Rinse thoroughly with potable water and wipe dry. Season the grill by coating the surface with cooking oil.

Storage: Keep from freezing. Do not use this product on surfaces above 200° F (93.3° C). Do not let product contact aluminum or soft metals. Do not use continuously or self-cleaning ovens, or on fire brick. Do not allow this product or its solutions to splash onto other surfaces. Do not store in food processing or food storage areas.
