

Rage

Clinging Grill and Oven Cleaner

Rage's powerful grease removing components combined with its clinging ability allow it to work quickly. It works without the use of abrasives that can scratch valuable equipment. This product completely cleans surfaces, eliminating the cause of rancid odors. This powerful product can also be used to clean deep fat fryers and hoods.

Specifications

Color	Amber
Scent/Odor	Lemon
Character	Clear, slightly viscous liquid
Foam	Moderate to high
pH Use Dilution	Greater than 13.0
Phosphorus Content	0.2%
Approvals	cRc

Pack Sizes

057621	4/1 gallon case
---------------	-----------------

Directions For Use

Equipment: Spray bottle, cleaning cloths.

Use Dilution: For hoods: Dilute 1:1.

For Ovens and Grills:

1. Scrape heavy debris from oven or grill surface.
2. Raise or lower the temperature of oven or grill to 150°-180°F.
3. Spray this product on soil affected surface. Use this product undiluted.
4. IMMEDIATELY wipe oven or grill with cloth or non-abrasive pad.
5. Flush with an oven or grill neutralizer (a mild acid rinse).
6. Rinse with clean water.
7. Reprocess grill with cooking oils to prevent sticking.

Note: Do not use on aluminum.
