

## Soak Tank Cleaner 005

Soak Tank Cleaner 005 is a concentrated formula designed to remove grease and baked-on carbon from kitchen utensils that can be soaked. A fast acting alkaline material, Soak Tank Cleaner 005 is an odorless, biodegradable mixture. Ideal for use on pots and pans, oven racks, grills, fryer baskets, trays and removable range parts.

Specifications	
Color	Clear
Scent/Odor	None added
Character	Clear, non-viscous liquid
Foam	Non-foamer
pH Use Dilution	Greater than 12.0
Phosphorus Content	0.0%
Approvals	cRc

Pack Sizes	
4274631	2/1.5 gallon case

## **Directions For Use**

Equipment: Soak tank, rubber gloves, eye protection, protective clothing.

**NOTE:** Lighter metal alloys such as tin may be etched if immersed in the solution for more than 30 minutes. Do not use on utensils with varnished or painted areas, aluminum, pewter or simulated pewter.

- Wear rubber gloves and protective eyewear at all times when working with this product. Use protective clothing.
- 2. Fill soak tank with approximately 26 gallons of water.
- Carefully add one and one half gallons (1.5 gal.) of this product to the water in the soak tank.
- 4. Add enough water to the soak tank to make a 30 gallon solution.
- 5. Mix thoroughly by raising and lowering the soak tank basket.

- 6. Load utensils slowly and carefully. Avoid splashing.
- 7. For maintenance cleaning of greasy or carbon-encrusted utensils, soak from 30 minutes up to two hours. In extreme cases, soak with repeated rinsings throughout the day. For extremely stubborn stains, overnight soaking is required.
- 8. When utensils are clean, manually wash in three compartment sink or process through dishmachine.

## **Safety Reminder**

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.
