Directions For Use

Equipment: Recommended dispensing system.

1. Lift tab to expose screened cap. Do not unscrew or remove screened cap.
2. Place the canister into the dispenser, open-end down. Use handle when transporting canister.
3. DO NOT remove concentrate canister until completely empty.
4. To remove empty canister, lift it from the dispenser carefully by the handle and turn upright to avoid spills. Dispose of canister immediately. DO NOT reuse empty canister.
5. Place new concentrate canister into dispenser.

NOTE: Dispenser will not activate unless a canister is in unit.
