

Ultrex™

High Performance Heavy Duty Warewashing Concentrate

Ultrex™ is a high performance, heavy duty, non-chlorinated concentrate. This product works well for severe soil conditions in all water supplies. Its uniquely designed, recyclable canister is easy-to-install and encapsulated, which eliminates employee contact with the concentrate.

Directions For Use

Equipment: Recommended dispensing system.

Use Dilution: Varies due to environmental conditions.

1. Pre-flush and/or scrape dishes before washing. Rack dishes properly.
2. Place dishes in machine.
3. Wash using this product. Should maintain 150°-160° F wash temperature.
4. For rinse cycle, use recommended rinse additive. Should maintain 180°-190° F rinse temperature.
5. Allow dishes to air dry.

NOTE: DO NOT use in conventional, water-filled (reservoir) systems. Dispenser will NOT activate unless a canister is in unit. Do not use on aluminum.
