

Universal Cleaner

Powdered General Purpose Cleaner

Universal Cleaner is a specially designed product for the routine cleaning of floors, walls and other hard surfaces. It quickly cuts through grease and dirt leaving floors clean and film free. Fast, thorough detergency aids free rinsing and eliminates soil redeposition. Universal Cleaner contains a special destainer to whiten grout. This unique feature makes it a natural choice for cleaning ceramic tile floors. Use as directed for best results on equipment, floors and other hard surfaces.

Specifications

Color	White
Scent/Odor	Citrus

Directions For Use

Equipment: Mop and pail, sponge, cleaning cloth, appropriate measuring device.

Use Dilution: 1-2 ounces per 3 gallons of water.

1. When cleaning floors, sweep area prior to application.
2. Dilute 1 - 2 ounces of product to 3 gallons of water in a wash bucket. More concentrated solutions should be used when heavier soils are encountered.
3. Always use a clean mop or applicator. Apply to surface.
4. Rinse mop or applicator, wring out and pick up excess solution. Repeat if necessary.

NOTE: The use of all cleaning compounds in the edible product processing areas of federally inspected meat and poultry plants must be followed by a potable water rinse.
