### Directions For Use

**Equipment:** No equipment necessary.

Set heat controls according to manufacturer's instructions. Add one dryer sheet on top of wet clothes and start dryer. Discard sheet after use.

**NOTE:** Only use a low setting when drying synthetic permanent press fabrics. Spotting may result at higher temperatures. Dryer sheets should not be used on flame resistant garments and fabrics, as product may reduce flame resistance.

### Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at [www.uschemical.com](http://www.uschemical.com) and is also available by scanning the QR code on the label.
