## IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at [www.uschemical.com](http://www.uschemical.com) and is also available by scanning the QR code on the label.

## PRODUCT DIRECTIONS

### EQUIPMENT TO USE

Jug pump, wall pump, automatic dispensing system and a bus pan.

### DIRECTIONS TO USE

In a plastic pan, dissolve 1 ounce of this product to 5 gallons of water. Place stainlessware and/or silverware in solution for several minutes. Remove, rinse thoroughly and wash in dishmachine in normal fashion.

**FOR DETARNISHING SILVER:** Line bottom of bus pan with aluminum foil. Dispense 1 oz. of product to 5 gallons water. Place silver in solution. Let soak for 10-15 minutes. Remove, rinse and wash. Never pour this product directly over ware.

## PACKAGING

This product is available in 1/1.5 gallon bottles (5487428).
