

FEATURES

- Green Seal™ certified
- Acid based

RECOMMENDED USES

Tubs, showers, tiles and toilets.

SPECIFICATIONS

Color : Green/Teal Scent/Odor: Herbal

Character: Clear, non-viscous liquid

Foam : Moderate

BENEFITS

- · Safer for users and the environment
- Removes stubborn lime scale

pH use dilution : 4.0-4.5 Phosphorus content : 0.0%

Certifications : Green Seal™

IMPORTANT

Wear chemical-splash goggles and chemical-resistant protective gloves when handling the product concentrate. Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Spray bottle, clean towel or cloth.

DIRECTIONS TO USE

Dilute Surety Tub & Tile Cleaner at one part product to 18 parts cold water (1:18). Dispense Surety Tub & Tile Cleaner into a trigger spray or flip top bottle as needed. Apply use solution to a damp cloth or directly on surface to be cleaned. Point trigger sprayer at surface to be cleaned at least 6-8 inches away from surface. Allow product to dwell on the surface, then agitate with cloth or non-abrasive pad. Rinse off product with clean water directly with shower hose or with moistened cloth or sponge. Do not use on natural wood or marble. Certain surfaces may be unsuitable for commercial strength cleaners. Test in an inconspicuous spot prior to use. Always stand on a non-slip surface when in a shower or tub.

CONTAINER DISPOSAL: Please dispose of any unused product in accordance with federal, state, and local regulations. Please recycle container.

Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.

PACKAGING

This product is available in 4/2 gt. cases (5492278).

*This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. Acute toxicity and skin/eye damage met requirements at the as-used dilution, as specified for closed dilution systems. GreenSeal.org.
