

GX-1250

CLEANER/MAINTAINER

FEATURES

- Cleaner plus maintainer
- Enhances gloss
- No harsh detergents

BENEFITS

- Saves time, labor and materials
- Pops the gloss when burnished
- Formulated for daily use

RECOMMENDED USES

Designed for use on floors maintained with UHS buffing equipment.

SPECIFICATIONS

Color : White/Cream

Scent/Odor : None added

Character : Opaque, non-viscous liquid

pH use dilution : 8.75

Phosphorus content : 0.0%

Approvals : cRc

IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Clean mop, mop bucket, automatic scrubber, wet floor signs.

DIRECTIONS TO USE

Blockade areas to be finished. Floors will be slippery until dry. Dust mop or sweep floor to remove dirt and debris before applying product. **AUTOSCRUBBER CLEANING:** Mix product at 2 ounces per gallon of cold water. Scrub floor using red pad. Allow floor to dry approximately 5 minutes. When dry, burnish with a high-speed machine and appropriate pad if needed. **SCRUBBING:** Mix product at 4 ounces per gallon of cold water. Scrub floor using green pad. Allow floor to dry approximately 5 minutes. When dry, burnish with a high-speed machine and appropriate pad to harden and bring back gloss. **MOP APPLICATION:** Mix product at a dilution ratio of 1-2 ounces per gallon of cold water and apply with a mop. Let floor dry approximately 5 minutes. When dry, burnish with a high-speed machine and the appropriate pad if needed. **SPRAY-BUFF APPLICATION:** Mix product in equal parts or use product straight in a spray bottle. Spray 2-3 full sprays onto floor surface for a 4-foot-by-6-foot area. Immediately make one pass with the floor machine to spread the product on the floor then buff to gloss. Change pads when they get clogged. Dust mop floor after burnishing.

PACKAGING

This product is available in 4/1 gallon cases (5924712).
