ëkcoscreen™
by ëkcos ™

60+ day anti-splash urinal screen

ëkoscreen™ features revolutionary patented Sealed Bristle Technology™ that prevents splashback while reducing odors, improving the hygiene in both water and waterless urinals. Its powerful fragrances last 60+ days, lasting twice as long as traditional urinal screens. Ideal for use in high traffic public restrooms.

Directions For Use

Applications: Use in water and waterless urinals.

1. Remove old urinal screen from the urinal and recycle properly.
2. Remove any debris in the urinal.
3. Clean the urinal with bowl or restroom cleaner according to the product directions.
4. Remove the urinal screen from its plastic packaging.
5. Place urinal screen in the center of the urinal with bristles facing upwards.

Biodegradable Product:
This product is designed to biodegrade in a biological active landfill (appropriate facilities not available in all areas). Testing ASTM D5511-2 that we have conducted represent biologically active landfills on our products have shown 99% biodegration in less than 5 years.
