## USC Industrial Heavy Duty Cleaner

SKU - 100984695 (5 gal.)

Industrial Heavy Duty Cleaner is a concentrated, highly alkaline formula designed for use in breweries, wineries, food and dairy processing plants and restaurants. Its non-foaming properties make it an excellent choice for cleaning and CIP circulation systems in dairy, beverage and food processing equipment, tanks, hood and ducts, restaurant hood filters, soak tanks and smokehouses. Its powerful fast-acting formula removes heavy grease, soot, food and cooked or baked on organic or carbonized soils.

## USC Lime Off

SKU - 5972175 (4/1 gal.)

Lime Off is an acid detergent formulated to quickly neutralize the high alkaline cleaners PH, remove lime, scale and other minerals. Its non-foaming character allows its use in CIP circulation systems and commercial dish machines. Special additives make it rinse free and clear from all metal surfaces. It can be used at any concentration, depending on the severity of the lime being removed.

## USC Shurguard Plus

SKU - 3296521 (5 gal.)

Shurguard Plus is designed for use in hospitals, nursing homes, hotels, food manufacturing and production, restaurants and bars where disinfection, sanitization and deodorization is of prime importance. When used as directed, this product is formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, stainless steel, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, cabinets, tables and chairs.
