NEXTECH

U S Chemical's *exclusive* program
featuring Net Pricing!

Our NexTECH program is designed to provide our customers cleaning products with consistent, superior results, employee safety, and environmentally responsible packaging; all available at net price! This exclusive program also includes employee training, instructional wall charts and professional service.

Our Private Label program is designed to meet your specific branding needs. NexTECH offers a full line of Warewash, Laundry and Housekeeping products that can be customized to match your company's look. Imagine the value of having a complete private label program of products available only from your company to your customers!

Key *features* of the NexTECH program

Lightweight, easy-to-handle pack sizes save space and reduce freight costs

Concentrated formulas in compact, environmentally-friendly reduced packaging

A full product offering, including warewash, laundry and housekeeping products- all available at NET PRICE!

Custom designed labels available at NO CHARGE when you meet minimum requirements

The compact 3100 mL bottles are compatible with the ChemMaster and Freedom System DE dispensing and racking systems

Additional *benefits* included with the NexTECH program

Account Representative

Your Account Representative will provide regular unit performance reviews. The reviews will cover program results, service, delivery and product usage reports.

Employee Training

Employees will receive on-site training for proper sanitation procedures, product application and use. Dispensing equipment operation and safety procedures will also be covered.

Product Delivery

Distributor partners ensure frequent delivery schedules, eliminating the need for excessive product inventories.

Safety Information

Location managers will be given a Safety Data Sheet (SDS) Binder containing the SDSs for all applicable products provided.

Service

Routine and emergency service is provided by distributor partner Chemical Specialists. Specialists have been trained by U S Chemical. Their focus is timely service, quality results and controlled use cost.

Wall Charts

Instructional wall charts will be provided for displaying near all product dispensing and use locations. QR codes are also used for access to training videos.

WAREWASH

Mechanical Warewash Metal Safe Detergent

Mechanical Metal Safe Detergent is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications. It is safe on metal.

Mechanical Warewash Detergent

Mechanical Warewash Detergent is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications.

Not available in NY, MD & SC

Mechanical Warewash Detergent LP

Mechanical Warewash Detergent LP is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications.

Premium Pak Detergent

Premium-Pak Detergent is a highly concentrated, heavy duty formula with a low use cost. It removes tough, greasy soils. Premium-Pak Detergent is encapsulated, so it's safe, simple and convenient to use!

Not available in NY, MD & SC

Mechanical Warewash Rinse

Mechanical Warewash Rinse is a super-concentrated machine warewashing rinse. It is designed to provide spot-free dishware in all water conditions and can be used in both high and low temperature dishwashing applications.

Manual Utensil Presoak

Manual Utensil Presoak is a highly concentrated product designed for presoaking silver and stainless steel utensils. Its excellent soil-penetrating and softening abilities quickly loosen dried-on or hardened foods and detarnishing silverware.

Manual Pot & Pan Detergent

Manual Pot & Pan Detergent is a top quality, lemon scented liquid detergent designed for all food service and manual cleaning. This product is kind to hands and works well in hard or soft water. It is a fine grease cutter, gives long lasting suds, excellent soil suspension and rapid free rinsing for fast, brilliant drying.

Phenom X Manual Pot & Pan Detergent

Phenom X is a highly concentrated, superior performing product. At 1 ounce to 15 gallons of water, it quickly cuts through the heaviest amounts of grease and fat while providing long lasting suds. Phenom X provides food service personnel a quick, yet extremely efficient way to wash heavily soiled dishware.

WAREWASH

Lime-Out

Lime-Out is an acid blend designed for rapid lime and mineral soil removal. It provides quick penetration of lime soils and free rinsing for exceptional results. It is an excellent choice for the recirculation cleaning of dishmachines. This non-fuming acid concentrate may also be used to remove lime or mineral films on other kitchen equipment or utensils.

Freezer Cleaner

Freezer Cleaner is specially designed for cleaning walk-in freezers. It provides effective cleaning in sub-zero temperatures, eliminating costly freezer shut down. It is institutional strength, saving time and labor. This product is non-corrosive and ready to use for safety and convenience.

Sanitizer E.S.

Sanitizer E.S. has a no-rinse formula that saves time and labor and is an approved chlorine germicide for effective sanitation. It is recommended for low temperature dishmachines, third tank sink or anywhere an effective sanitizer is needed.

NEXTECH

LAUNDRY

Break

Break is a highly concentrated alkaline product. This liquid blend of alkaline builders, water sequestrants and soil suspension agents is designed to be used in combination with Suds for optimum cleaning efficiency.

Built Detergent

Built Detergent is a hyper-concentrated formula featuring highly active laundry builders and superior quality surfactants. Designed for all soil and water conditions, including iron, Built Detergent offers unmatched levels of performance, convenience and low use cost.

Suds

Suds is a highly concentrated surfactant based formula. This versatile detergent is concentrated enough to be used as an added booster with Break or alone as a superior low alkaline laundry detergent. It is designed to provide optimum results when used in a routine laundry program.

Destainer

Destainer is a concentrated sodium hypochlorite solution for use in laundry bleaching. It is designed for automatic dispensing. Destainer will keep white fabrics free of stains and aid the overall cleaning program. It can also be used as a household bleach. Care should be taken to reduce the level used as the strength is over twice that of normal household bleaches.

Oxygen Bleach

Oxygen Bleach is a versatile product that provides excellent cleaning ability, yet is safe to use on all types of colored and synthetic fabrics. Oxygen Bleach aids in the over all success of today's complicated laundry programs.

Sour

Sour is specially designed to neutralize the alkaline residues of detergents, water hardness minerals, or iron in the rinse cycle of laundry programs. It can be used in any type of automatic laundry chemical feeding system. It prevents fabric harshness, excess wear and browning during ironing.

Sour/Soft

Sour/Soft is a liquid, cationic fabric softener for all types of laundry operations. Combined with a souring agent to neutralize the alkaline residues of detergents, water hardness minerals or iron in the rinse cycle of laundry programs, it can be used in any type of automatic laundry chemical feeding system. This product is highly concentrated to provide fluffy and soft fabric while preventing fabric harshness, excess wear and browning during ironing.

Softener

Softener is a liquid cationic fabric softener for all types of laundry operations. It is highly concentrated to provide fluffy and soft fabric. Softener is economical to use because it reduces the pulling and extraction time of loads, eliminates static and reduces sticking that increases comfort of all clothes and fabrics.

HOUSEKEEPING

Glass Cleaner

Glass Cleaner is designed for fast, thorough cleaning of glass, porcelain, Formica® and chrome surfaces. It quickly removes soils without smudging or smearing. Glass Cleaner easily removes smoke film and grime from windows and auto interiors.

All Purpose Cleaner/Degreaser

All-Purpose Cleaner/Degreaser is a concentrated heavy duty cleaner and degreaser designed for general purpose cleaning. It easily removes grease and grime from range hoods, vents, broilers, grills, floors, walls and tables.

Citrus Neutral Cleaner

Citrus Neutral Cleaner is a concentrated product for cleaning, maintaining and degreasing of all washable surfaces. It will safely remove grease, grime, dirt and the toughest stains.

Floorbac

Floorbac™ is a special type of floor cleaner that uses surfactant cleaning technology combined with enzyme producing bacteria. The result is a one step process that effectively cleans the top surface of the floor, while leaving behind grease-eating bacteria that digest build-up in porous tiles and grout.

Shurguard Plus

Shurguard Plus is designed for use in hospitals, nursing homes, hotels, food service establishments, restaurants and bars where disinfection, sanitization and deodorization are of prime importance. Formulated to disinfect hard, non-porous, inanimate environmental surfaces such as floors, walls, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, cabinets, tables and chairs.

****This product is EPA registered.***

Disinfectant 256

Disinfectant 256 is a phosphate-free, pH neutral formula designed to provide effective cleaning, deodorizing and disinfection. This product disinfects hard non-porous surfaces such as floors, walls, glazed porcelain, glazed ceramic tile, plastic surfaces, vanity tops, shower stalls, bathtubs and cabinets.

****This product is EPA registered.***

Non-Acid Restroom Cleaner Disinfectant

Non-Acid Restroom Cleaner Disinfectant is a heavy duty disinfectant cleaner that cleans, disinfects and deodorizes in one labor saving step. Can be safely used on a variety of hard, nonporous surfaces of bathroom fixtures, bathtubs, showers, sinks and toilets.
