

Concentrated Emulsifier

Oily Stain Remover & Preventative Agent

Concentrated Emulsifier is a highly concentrated oily stain remover and preventive agent. It is specially formulated to eliminate those “tough to remove” oily stains and prevent similar stains from recurring on table linens and napkins. Designed for use on cotton, cotton/polyester fabric, this product is safe for use on all colorfast dyes. Use of this product eliminates costly pre-soaking and reduces rejected loads.

SPECIFICATIONS

Color	Colorless
Scent/Odor	Solvent
Character	Clear, non-viscous liquid
Foam	Moderate to low
pH Use Dilution	6.8 - 7.2
